[LD Grade 3-5 Chinese Summer Resources](#)

[Librarian book recommendations \(with age recommendations\)](#)

Listening Library

We are excited to offer a “listening library” of high-interest picture books written in Chinese and Spanish. These books are read by our librarians to support reading in the target language at home. You can find the listening library [here](#).

Math Resources for Summer Fun

Play Games! Explore! Have Fun!

Click below for family fun experiences out in the city or at home. You can

also explore games and web-based or tech-free resources and apps to keep your child's math skills sharp over the summer.
