

# Avenues New York Calendar 2024-25

This high-level calendar is meant to communicate when our campus will be open. We made the intentional choice to include only religious holidays that fall during the school week. We will continue to support students and colleagues who observe a religious or personal holiday on days that school is in session as an excused absence. **Dates are subject to change so we encourage you to check back and refresh this document from time to time.**
