

Avenues Silicon Valley School Calendar 2023–24

This high-level calendar is meant to communicate when our campus will be open. Leveraging our global ecosystem, we designed this calendar to offer more global programming across campuses. We will continue to support students and colleagues who observe a religious or cultural holiday on days that school is in session as an excused absence. **Dates are subject to change so we encourage you to check back and refresh this document from time to time.**
